

## COVID-19 GUIDELINES

**Dear Guest,**

As the new Coronavirus known as COVID-19, spreads across the globe, we are all aware that measures need to be taken to slow its spread and we ask you to follow while you visit us or stay with us in Astir Marina.

In addition to the general guidelines, we have made our own guidelines and procedures that you have to follow with your arrival:

- All necessary papers for your booking and payments should be settled before your arrival via email and bank transfer.
- Payment method is contactless via bank transfer or credit card strictly. All receipts will be sent via email.
- If for any reason, you need to visit us in our premises, you should first contact us by email or phone 0030-210-89 60 012 and follow the security officer's instructions.
- The security officer will ask you to stand behind the floor stickers in order to measure your temperature and he will fill in a questionnaire with your name, and your phone number.
- Sanitizers, face masks and gloves are strongly recommended to be used in all indoor areas in the marina. A face mask is required to enter the marina office, if you do not have one we will provide you with one.
- We have increased the frequency of common area cleaning, showers and WC
- Before the use of showers and WC, you should inform the security in order to measure your temperature and provide access to you.
- It's critical to maintain social distancing of at least 1.5m  
Please, keep the same distance during the procedures mentioned above.
